Experience

Resins Shipping Operator

Pinova, Subsidiary of DRT

Dec 2020 - Present (2 years 6 months)

Responsible for order fulfillment and both the loading and unloading of freight trucks. I also assist in warehouse and inventory management/control.

Confined Space Rescue Team Member

Pinova, Subsidiary of DRT

Dec 2017 - Present (5 years 6 months)

Purely voluntary, I took on additional responsibility in exchange for learning various skills, obtaining some certifications, and being justly compensated with a pay increase.

SCP Packaging Operator

Pinova, Subsidiary of DRT

Jul 2019 - Dec 2020 (1 year 6 months)

Packaged liquid resin for a specific operating area, was responsible for the preparation and shipping of the product, and assisted SCP operators with minor tasks whenever possible.

Specialty Packager

Pinova, Subsidiary of DRT

May 2018 - Jul 2019 (1 year 3 months)

I was responsible for leading a small team of varying count for the special packaging and handling of material for certain customers to their specific instruction.

GMP Technician

Pinova, Subsidiary of DRT

Feb 2016 - May 2018 (2 years 4 months)

A "glorified janitor" as I called myself, I had the majority of the responsibility for maintaining our primary GMP warehouse, assisted in the maintenance of our smaller secondary GMP warehouse, maintained my own paperwork as well as the checklists of our packaging operators, and also had some inventory management responsibility.

Packaging Operator

Pinova, Subsidiary of DRT

Apr 2015 - Feb 2016 (11 months)

Operated industrial packaging equipment and forklifts in a GMP warehouse while also maintaining production logs and working with production operators.

Shipping and Receiving Manager

Rose Healthcare, LLC

Oct 2013 - Apr 2015 (1 year 7 months)

Managed logistics of outbound, inbound, and third-party shipments as well as assisting with warehouse management and inventory management.

Warehouse Laborer

Rose Healthcare, LLC

Apr 2013 - Aug 2013 (5 months)

Assisted with the offloading of inbound shipments, warehouse organization, and the arrangement of products for order packaging.

Education

Georgia Institute of Technology

Full-Stack Web Development

Jan 2023 - Jul 2023

Enrolled in a full-stack web development boot camp hosted through Georgia Tech.

对 Coastal Pines Technical College

Precision Metal Working

Aug 2013 - Apr 2015

I had attended this course part-time while working a full-time job. I had finished all of the technical courses under the base Precision Metal Working degree and was beginning to teach myself CNC programming at the recommendation of my instructor. At the time in which I needed to complete the core classes for the degree, I was presented with a work opportunity at Pinova Inc. that put my degree progress on hold.

Skills

Record Keeping • Carrier Relationships • Warehouse Operations • Equipment Maintenance • Customer Returns • Logistics Systems • Skilled Multi-tasker • Inventory Management
